2016 Xander Taryn Vineyard Pinot Noir

91 POINTS - Wine Enthusiast (October, 2018)

About Xander Taryn Vineyard:

We help farm the tiny, family-owned Xander Taryn vineyard, which is hidden in the hills of the Chehalem Mountains. Here you will find 7 acres of Pinot Noir growing on the regions distinctive Laurelwood soils, producing fruit-driven Pinot Noir with both complexity and finesse. The vineyard's elevation of 600 feet and moderate slopes allows for excellent air movement and sun exposure, providing optimal growing and ripening conditions for the grapes.

Winemaking:

Our Xander Taryn Pinot Noir is hand-picked and hand-sorted then fermented in small open-top stainless steel tanks. The wine is barrel aged in 100% French oak barrels for 10 months. Pike Road sources the best grapes and then takes a gentle approach to preserve the inherent qualities of the fruit.

Tasting Notes:

Earthy and full, this wine opens with cranberry, baking spices and violet on the nose. A rich palate follows with Italian plum, ripe cherry and cinnamon highlighted by undertones of mocha and blood-red beet.
