

PIKE ROAD WINES

2017 Pinot Noir Rosé

The Pike Road 2017 Pinot Noir Rosé is a crisp yet juicy take on a 100% Pinot Noir Pink Wine.

How we make our Rosé

Pike Road Rosé is made from 100% Willamette Valley Pinot Noir grown on our estate vineyards along with smaller lots of fruit grown by our longtime, trusted farming partners. We believe this “multi-vineyard” approach results in a more complex, flavorful wine.

Our Pinot Noir fruit is hand-picked whole-cluster pressed and “saignée” collected from our Pinot Noir fermentors. The juice is fermented cold in small stainless steel tanks. Our Rosé is finished with a screw-cap to preserve its delicate aromatics.

Tasting Notes for our 2017 Pinot Noir Rosé

Pale pink gemstone in color, this wine opens with ripe plum and a slight floral note on the nose. The palate offers juicy pink grapefruit and mandarin orange alongside notes of madeleine cookies lengthened by the slight grip of white tea.
