About Shea Vineyard:

Shea Vineyard is owned by Dick and Dierdre Shea and was planted in 1989. Dick Shea utilizes sustainable farming practices while meeting the highest standards of conservation and environmental management. The 140 acre vineyard is planted on fractured sandstone soils within the hills of the Yamhill-Carlton AVA. Fruit from Shea Vineyard is highly allocated and fiercely sought after.

Winemaking:

Pike Road Pinot Noir is hand-picked and hand-sorted then fermented in small open-top stainless steel tanks. The wine is barrel aged in 100% French oak barrels for 10 months. Pike Road sources the best grapes and then takes a gentle approach to preserve the inherent qualities of the fruit.

Tasting Notes:

A real stunner showcasing an elegant mix of red and black fruit, violets, and creamy cola notes. The palate is seamless and layered with dusty raspberry, mid-summer ripened blackberries, and long, silky tannins.
