

PIKE ROAD WINES

2018 Pinot Noir Rosé

The Pike Road 2019 Pinot Noir Rosé is a crisp yet juicy take on a versatile pink wine.

How we make our Rosé

Pike Road Rosé is made from 100% Willamette Valley Pinot Noir grown on our estate vineyards along with smaller lots of fruit grown by our longtime, trusted farming partners. We believe this "multi-vineyard" approach results in a more complex, flavorful wine.

Our Pinot Noir fruit is hand-picked whole-cluster pressed and "saignée" collected from our Pinot Noir fermentors. The juice is fermented cold in small stainless steel tanks. Our Rosé is finished with a screw-cap to preserve its delicate aromatics.

The 2019 Vintage

After a warm May and a healthy, early fruit-set, the summer ended cool with no threat of the sunburn or hazy, smoky skies seen in recent years. We expected to pick in early September, but weeks of unseasonably cool weather took us by surprise. Rather than rushing to pick too early, we waited patiently for concentrations and sugar levels to rise. Expect wines with a big ripe core of concentrated fruit and a bright, fresh profile.
