

PIKE ROAD WINES

2020 Sparkler Rosé

The Pike Road 2020 Sparkler Rosé is an Oregon sparkling wine.

How we make our Sparkler

Primarily Chardonnay and Pinot Gris, we added Riesling and a splash of Pinot Noir to create a unique and delicious sparkling wine experience. Aged in a combination of steel and concrete, our winemaking team ferments each varietal separately, low and slow, to preserve its fresh, fruity, and floral notes. A short time on its Pinot Noir skins and a little bit of finished Pinot Noir bring out the Sparkler's vibrant pink color. Once the final blend is complete, we chill it down and add carbonation. This wine is finished with a crown cap to make it perfectly accessible anywhere, anytime!

The 2020 Vintage

A difficult yet rewarding year, the 2020 growing season started with a small fruit-set and mild summer weather. Soon we faced the challenges of farming during a pandemic, but we and our growing partners managed to adapt. In 2020 we ran more laboratory tests during harvest and beyond than ever before, with dozens of samples sent to multiple laboratories. We are committed to releasing only wines free of smoke-affect that passed our rigorous tests. Expect wines with freshness of fruit and concentration.
