

PIKE ROAD WINES

2021 Pinot Gris

The Pike Road 2021 Pinot Gris is a fruit-forward and vibrant take on this classic Willamette Valley wine.

How we make our Pinot Gris

All the fruit for Pike Road Pinot Gris is hand-picked and gently pressed. The juice is then cold fermented in small stainless steel tanks to preserve its delicate aromatics, and finished with a screw-cap so that it tastes as fresh as the day it was bottled.

Pike Road Pinot Gris is made from 100% Willamette Valley fruit. Primarily grown on our estate vineyards, the wine also includes smaller lots of fruit grown by our longtime, trusted partners here in the Willamette Valley. We believe this “multi-vineyard” approach results in a more complex, flavorful wine.

The 2021 Vintage

The 2021 vintage was an exceptional year. The timing of weather events was key to our success in 2021. We experienced a bit of rainfall during bloom which helped to lower yields by producing some hens and chicks (variable-sized berries). Then a historic heat event happened during late June which brought worrisome temperatures at a time that luckily did not result in any damage to our grape crop. Growth resumed normally once temperatures cooled with average heat from July through September bringing even ripening to the plentiful small, loose clusters. For Pinot Noirs, expect intense color and flavors bursting out of the glass, while white wines and rosés are fruit-forward with great acidity and balance.
